

Reduce your Material Cycle Time by 37%

**"TEXbase allows us to
do what we do best...
– Innovate."**

Bill Mickle, Director of Materials Management

TEXbase Materials enables design and development teams to more efficiently manage fabric and trim development, material sourcing and QA/QC. Built by industry experts, Materials is used by major brands around the globe to increase innovation, speed to market and product integrity.

Increase your Efficiency - While Reducing Errors

Key Benefits:

- **Increase Profits by Reducing Labor Costs (data entry)**
- **Increase Efficiency Gains 100-500%**
- **Decrease Material Cycle Time (MCT) by 37%**

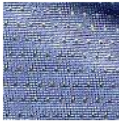

- Streamline project management with added visibility into; project status, deadlines and team efficiency-maximizing the productivity of your existing workforce
- Centralized, web-based material data available instantly to your entire global team
- Instant tracking and reporting on materials, developments and specifications
- Enhanced management and tracking of supplier information and vendor performance
- Quickly create or clone performance specifications and communicate them to suppliers
- Fiber, yarn, fabric and trim libraries capture key data
- Certification module organizes materials based on end-use or environmental criteria into a searchable database accessible by all design team members
- Dashboard provides visibility of key metrics including development status and new fabrics from suppliers

Material Management... Simplified

Access the Material Libraries of your Key Suppliers!

Use MaterialConnect to easily search and import material data from your suppliers or use it to find new sources of materials.

	Vendor: DemoTex Item: AS31023 Construction: Polyester Blend, Knit Circular, Interlock Content: 97% Polyester, 3% X-static Width: 58.00 in. Weight: 0.00oz/sqyd	Import		Vendor: DemoTex Item: AS31033 Construction: Polyester Blend, Knit Circular, Interlock Content: 96% Polyester, 4% X-static Width: 58.00 in. Weight: 0.00oz/sqyd	Import
	Vendor: DemoTex Item: AS31035 Construction: X-static Blend, Knit Circular, Interlock Content: 50% X-static, 50% Polyester Width: 58.00 in. Weight: 4.25oz/sqyd	Import		Vendor: DemoTex Item: AS31037 Construction: Polyester Blend, Knit Circular, Interlock Content: 97% Polyester, 3% X-static Width: 58.00 in. Weight: 0.00oz/sqyd	Import
	Vendor: DemoTex Item: AS31053 Construction: Coolplus Blend, Knit Circular, Interlock Content: 97% Coolplus, 3% X-static Width: 58.00 in. Weight: 0.00oz/sqyd	Import		Vendor: DemoTex Item: ASN001 Construction: X-static Blend, Knit Circular, Interlock Content: 3% X-static, 67% Polyester, 30% Wool Width: 58.00 in. Weight: 4.25oz/sqyd	Import

Pricing Tool Manages Multiple Currencies and Tracks Historical Prices

Pricing											
	Price	Currency	UofM	Brand	Fabric Type	Price Type	Season	Default	Public	Active	Note
▶	3.55	USD	m		Finished	CIF	2011 Fall	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
▶	3.59	USD	m		Finished	FOB	2011 Fall	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
